EDS: search smarter, not harder

- Choose a date range that makes sense for your topic
- Limit your source type to fit your assignment
- Add subjects to focus on specific aspects of your topic
- Find background information and topic overviews with these reference sources
- Use these tools to download and read the source ASAP
- Click on the title to read an abstract, select related keywords, and use the CITE tool

Have a complicated research topic? Don’t know which sources to choose? Ask Us @ the IU Kokomo Library
